Domy.House – Your new sales channel

An effective sales tool for the real estate and construction industries

Your product will sell best where interested people are looking for it themselves. On Domy.House, people search for houses, apartments, garden pools, and everything related to home improvement. Therefore, it's easier to reach interested buyers here.

Why is Domy.House such an effective sales platform?

Domy.House is a premium industry search engine. It's effective thanks to its extensive reach and its access to a select group of users interested in categories related to real estate, construction services, and home gardening

Industry Search Engine

Internet users eagerly search for real estate, landscaping products, and construction services on Domy.House. Why? Because it's a top-tier industry search engine.

Interested Users

The new Domy.House search engine is used by users interested in purchasing specific products and services. Your offer will be immediately targeted to the right audience.

Comprehensive Offer

This industry-specific platform specializes in all product and service categories related to real estate, construction, and landscaping. Users are often interested in comprehensive product and service purchases, increasing the value of a single transaction.

Local or global

Do you operate locally? Or perhaps you want to expand your reach? On Domy.House, you can publish ads by location, depending on what you're looking to achieve.

Domy.House – Promote products and services

Exchange experiences and grow faster

There are few places created specifically for professionals in your industry and related fields. We decided to change that, which is why we created Domy.House. Here, you can exchange experiences with other professionals and enthusiasts and acquire new clients. Join us today!

Benefit from technical support and advice.

Our team is here to support and advise you on advertising and promotions. We're happy to help you increase sales of your products or services. Give us a call, or if you prefer, write. **We'll be happy to advise you!**
